

Quinceañera or Sweet Sixteen

Thank you for your interest in Vista Del Sol Conference Center. To better accommodate you, we want you to arrange your own “Package” based on what “Products, Services, and Budget” fit your needs. You may do this by rearranging our “Sample Packages.” First find a package that includes the most of what you would like for your Reception. From our product list you may add other items you would like to have included in your package. You may also delete items from your package as well. As you make these adjustments the stated price will be either reduced or enhanced. As you will note from all that we can provide, we are prepared to produce your Daughter’s Quinceañera/Sweet Sixteen Reception so you do not have to make arrangements all over town.

Our goal as a Full Service Banquet Center is to make sure your Reception “Stress Free” from beginning to end, the way you foresee it, and for us to have it become a fruition at an affordable investment cost.

We look forward to making your Reception an evening to remember...
